WINTER GAMES™

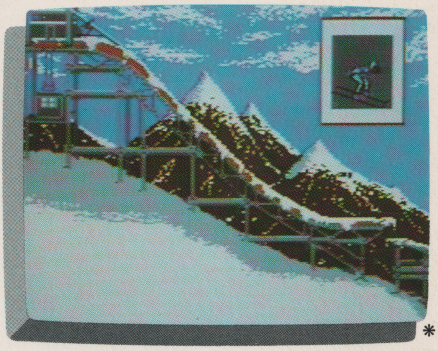
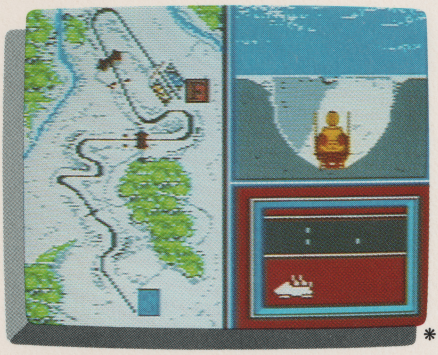
The Quest for the Gold Continues...

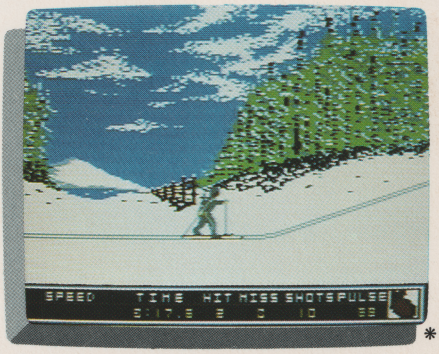
Winter Games: *The Quest for the Gold Continues...*



The Ski Jump: *This is it—a 9.5 or higher takes the gold!*



The Bobsled: *Down the chute careening along the walls.*



The Biathlon: *The rhythm and endurance of cross-country skiing at its best.*

You've captured the gold in Summer Games™ and Summer Games II™—now it's on to the **Winter Games!** And what an incredible setting—a completely realistic winter wonderland featuring six action-packed events. You can compete against your friends or the computer.

First choose the country you want to represent. Then it's practice, training and learning a winning strategy for each event. Now the Opening Ceremony and the competition begins. Will you be the one who takes the gold at the Awards Ceremony?

The quest for the gold continues . . . And it's all here—the strategy, the challenge, the competition, the **art** and **pageantry** of Winter Games!

* Screens from Commodore 64 version of game

- **Six Winter Events: Bobsled, Ski Jump, Figure Skating, Free-Style Skating, Hot Dog Aerials and the Biathlon**
- **Opening, Closing and Awards Ceremonies complete with National Anthems**
- **Compete Against the Computer or Your Friends and Family**
- **Unique Joystick Control—Requires Timing and Skill**
- **One to Eight Players**

EPYX CODING To help you choose the game that's right for you. EPYX games are coded to indicate the degree of emphasis on "Action," "Strategy," or "Learning." These symbols will appear on the front of all EPYX packages.

Action	Strategy	Learning
